2012-2013

Registration Process

- Students should be bringing home registration materials after counselor presentations last week.
- Students will register on-line at home.
- Parents can see courses students registered for in Family Access.
- Remember...
 - Select courses very carefully. Classes are formed based on the classes you choose.
 - Identify alternate courses.

Registration Process

1. Review the course offerings in the Registration Catalog.
2. Review the *Graduation Requirements* for your class.
3. Talk over your interests with parents/guardians, counselor, or teachers.
