### 6:00-6:25 Welcome!

Registration Presentation – Don Bosch, Principal, Brian Merhar, Counselor

### 6:30-6:50 Q & A

North Campus Counselors host Registration Q & A in the Theater.

### The following steps should be taken to prepare for registration:

- Talk with your son/daughter about interests
- Review the course offerings in the Registration Catalog. The catalog can also be accessed on line at [www.whitebear.k12.mn.us](http://www.whitebear.k12.mn.us)
- Review the graduation requirements for the 10<sup>th</sup> grade, class of 2015.
- Students may earn up to six credits per year. The class of 2015 needs 22 credits to graduate.
- Check to be certain you have chosen courses that are appropriate for your student’s grade level and ability.
- Make sure your student has completed prerequisites that are necessary to permit them to enter courses.
- If you have not already done so, prepare a tentative 4-year High School Graduation Plan of courses you intend to take throughout high school. Update this Plan as you progress toward graduation. (See attached handout or page 7 in the Registration Catalog)
- When registering, students should choose at least two alternate courses and prioritize those courses since it may not be possible to schedule all first choice classes. Alternates should be identified in elective classes. If a course conflict arises, the alternates will be inserted into his/her schedule based on the priority the student assigned them during registration.

**Parents of Private School or out of district students should pick up an enrollment packet in the Counseling Office this evening.**
