

Our Web Site Offers Members Fast and Easy Dental Benefit Tools and Information

Features on the Delta Dental of Minnesota Web site include:

Interactive Dentist Search

Search for participating dentists by location, dentist or clinic name. To receive a current list of dentists in your area, simply input city and state or zip code. You can also narrow your search by specialty, or enter a specific clinic or dentist name.

How to Use Dentist Search

1. Log on to www.deltadentalmn.org and click the "Dentist Search" icon. (Then, to search for dentists outside Minnesota and North Dakota, access the national Web site's dentist search from this page or type www.deltadental.com into your browser.)
2. Select your network from the pull-down menu (your network is listed on your ID card).
3. To search for a list of dentists in a particular area, enter the city and state or zip code and radius. (You can also narrow your search by selecting a specialty, such as an orthodontist.)
4. To search for a specific dentist or clinic, enter city and state or zip code and radius, as well as the dentist or clinic name.

How to use Claims Inquiry and Benefits & Eligibility Inquiry

Log on to view claims information including date of service, procedure detail, amounts owed by you and paid by Delta Dental, deductibles and claim status. Or, you can check plan information, benefit levels by categories of service, details of coverage by procedures and benefit dollar totals used year-to-date for your benefit year. You can also verify eligibility, view waiting periods, plan maximums and basic frequency limitation information.

How to use Claims Inquiry and Benefits & Eligibility Inquiry

1. On www.deltadentalmn.org, go to Subscriber Connection then Subscriber Sign In.
2. Remember your user name and password because you will need them each time you log in.

International Emergency Dental Coverage

Print a wallet-size card that includes instructions on how to access emergency dental treatment and Delta Dental's exclusive international network in almost any part of the world. This around-the-clock service is available for subscribers working or traveling abroad.

Educational Information

Read, print or save informational brochures on a range of oral health care topics including children's oral health, dental emergencies, and how to choose the right dental care products. Also, check out our dental glossary and frequently asked questions.
