

# Join us and learn about the White Bear Lake Area Schools Early Childhood Programs!

Join us for the White Bear Lake Area Schools Early Childhood event for parents and children age birth through five.

## “Get to Know Us” event

10 to 11 a.m.

Wednesday, July 21

Normandy Park Education Center  
2482 County Road F East

The theme of the event is “beach party” theme. Kids are encouraged to wear beach clothes - swimsuits, cover-ups, flip-flops - and bring their favorite beach gear.

Call 653-3100 to register.

### OUR PROGRAMS:

#### **Early Childhood Family Education**

The Early Childhood Family Education (ECFE) program provides parent-child experiences for children from birth to five years of age.

Parents are offered hands-on experience with the children and participate in parent-education discussions. Day and evening classes are offered.

#### **Play & Learn Preschool**

Play & Learn half-day preschool classes are offered to children aged 2 1/2 years to kindergarten age.

Our program offers a warm, fun learning environment with teachers and paraprofessional staff in every classroom. We have low staff/student ratios and specialists on site to meet individual needs. Our curriculum meets standards for the state of Minnesota. Through ongoing assessment, child growth is measured in all areas of development.

White Bear Lake Area Schools Early Childhood Programs offered at three locations:

- Normandy Park Education Center - 2482 County Road F East, White Bear Lake
- Hugo Elementary School - 14895 Francesca Avenue, Hugo
- Tamarack Nature Center - 5287 Otter Lake Road, White Bear Township

Contact us at 651-653-3100 or [ec@wbl.whitebear.k12.mn.us](mailto:ec@wbl.whitebear.k12.mn.us) to schedule a tour.
