EARLY CHILDHOOD FAMILY EDUCATION (ECFE)

The Early Childhood Family Education (ECFE) program provides parent-child experiences for children from birth to five years of age. Parents are offered hands-on experience with the children and participate in parent-education discussions. Day and evening classes are offered.

PLAY AND LEARN PRESCHOOL

Play & Learn half-day preschool classes are offered to children aged 2 1/2 years to kindergarten age. Our program offers a warm, fun learning environment with teachers and paraprofessional staff in every classroom. We have low staff/student ratios and specialists on site to meet individual needs. Our curriculum meets standards for the state of Minnesota. Through ongoing assessment, child growth is measured in all areas of development.
